# Slide-On BMA Plug Bulkhead to Snap-On BMA Jack Cable FM-SR086TBJ Coax in 36 Inch

The BMA plug slide-on bulkhead to BMA jack snap-on 36 inch cable using FM-SR086TBJ coax, part number FMCA1565-36, from Fairview Microwave is in-stock and ships same day. This Fairview BMA to BMA cable assembly has a plug to jack gender configuration with 50 ohm formable FM-SR086TBJ coax. Fairview Microwave's formable RF cable assemblies provide an alternative to costly preformed semi-rigid assemblies since they are hand formable. The FMCA1565-36 BMA plug to BMA jack cable assembly operates to 22 GHz. Our RF cable assembly with BMA bulkhead interface allows designers to create external connections on their product enclosures, and can be used in a variety of other rack mount and panel mount applications.

Custom versions of most RF cable assemblies can be built and shipped same day. Custom cable assembly lengths can be obtained by specifying the desired length on the web site at time of order or by contacting a sales representative. Other RF cable assembly value added services including connector orientation or clocking, heat shrink booting and labeling are also available. RF testing can also be performed to document the electrical performance of your cable assembly.
