

## FMCN45840 DATA SHEET

# **Hermetically Sealed 10KV Female to 10KV Female Bulkhead Adapter**

Hermetically sealed 10KV female to 10KV female bulkhead adapter part number FMCN45840 from Fairview Microwave is in-stock and ships same day. This Fairview 10KV to 10KV adapter has a female to female gender configuration. FMCN45840 10KV female to 10KV female adapter. Our RF 10KV to 10KV bulkhead adapter allows designers to create external connections on their product enclosures, and can be used in a variety of other rack mount and panel mount applications. The Fairview Microwave hermetic 10KV to 10KV adapter prevents the leakage of gases, making it suitable for high pressure or vacuum applications or whenever an airtight seal is required.

RF adapters can be used to enable connections between two connector types that would otherwise not mate. Certain RF adapter configurations can also be used to protect connectors on expensive equipment where the number of connect and disconnect cycles is high. An RF, microwave, or millimeter wave adapter is connected to the equipment and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connector savers. Fairview Microwave also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

## **Electrical Specifications**

•				
Description	Min	Тур	Max	Units
Operating Voltage (AC)			10,000	Vrms
Inner Conductor DC Resistance	ce		3	mOhms
Outer Conductor DC Resistan	ce		2	mOhms
Insulation Resistance	1,000			MOhms

## **Configuration:**

- 10KV Female Connector 1
- 10KV Female Connector 2
- Straight Body Geometry
- Bulkhead Mount Method

#### **Features:**

- Hermetically Sealed
- 10KV interface meets MIL-STD-202
- High Density PE Insulator

## **Applications:**

- General Purpose Test
- Vacuum Test Environment
- Rack Mounted Equipment
- High Voltage Pulsed RF Transmission

## **Mechanical Specifications**

#### Size

Length Width Height Weight 3.200 in [81.3 mm] 0.75 in [19.05 mm] 0.75 in [19.05 mm]
