

SMP Male Full Detent PCB Connector Thru Hole Solder Attachment

SMP male full detent connector with solder attachment for thru hole PCB, part number SC5355, from Fairview Microwave is in-stock and ships same day. This blind mate connector is ideal for applications without direct visual or tactile access to the connection point, for example, when two circuit boards need to be mated.

Fairview’s SMP male connector SC5355 datasheet specifications and outline drawing are shown in this PDF below. Our extensive offering of RF, microwave and millimeter wave connectors allows designers to configure and customize their signal connections however they like. From providing an I/O for a board design to creating a custom cable assembly configuration, Fairview Microwave has a connector solution to meet your needs. Fairview Microwave also has the expertise to build your custom cable assemblies for you and ship them same-day.
