

SM8822 DATA SHEET

SMA Female to SMP Male Full Detent Threaded Adapter

SMA female to SMP male full detent threaded adapter part number SM8822 from Fairview Microwave is in-stock and ships same day. This Fairview SMA to SMP adapter has a female to male gender configuration and is built of durable stainless steel. SM8822 SMA female to SMP male adapter operates to 26.5 GHz. The Fairview Microwave RF adapter provides excellent VSWR of 1.2:1 maximum. The SMA connector mates mechanically with commercially available 3.5mm and 2.92mm (K) connectors. Our RF SMA to SMP threaded adapter allows designers to create external connections on their product enclosures, and can be used in a variety of other rack mount and panel mount applications.

RF adapters can be used to enable connections between two connector types that would otherwise not mate. Certain RF adapter configurations can also be used to protect connectors on expensive equipment where the number of connect and disconnect cycles is high. An RF, microwave, or millimeter wave adapter is connected to the equipment and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connector savers. Fairview Microwave also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

Electrical Specifications

Description	Min	Тур	Max	Units
Frequency Range	DC		26.5	GHz
VSWR			1.2:1	

Mechanical Specifications

Ci-c

0.4 in [10.9 mm] 0.00265 lbs [1.2 g]	
Connector 1	Connector 2
SMA Female	SMP Male
	Full Detent
Standard	Standard
Statiuaru	Stariuaru
	Connector 1 SMA Female

Material Specifications

Description	Connector 1	Connector 2	
Туре	SMA Female	SMP Male	
Contact Material	Beryllium Copper	Beryllium Copper	
Contact Plating	Gold	Gold	
Contact Plating Spec.	MIL-G-45204	MIL-G-45204	
Insulation Material	PTFE	PTFE	
Body Material	Passivated Stainless Steel	Passivated Stainless Steel	

Configuration:

- SMA Female Connector 1
- Full Detent SMP Male Connector 2
- 50 Ohm
- Straight Body Geometry
- Threaded Mount Method

Features:

- VSWR of 1.2:1 max up to 26.5 GHz
- Contact plating according to MIL-G-45204
- Gold Plated Beryllium Copper Contact

Applications:

- Enables Between Series Connections
- General Purpose Test
- Rack Mounted Equipment
