Precision SMA Female (Jack) to SMP Male (Plug) Smooth Bore CM 2 Hole Flange Adapter, Passivated Stainless Steel Body, 1.2 VSWR

# SM8836

#### Configuration

- SMA Female Connector 1
- Smooth Bore CM SMP Male Connector 2
- 50 Ohms Impedance

#### Features

- VSWR of 1.2:1 max up to 26.5 GHz
- SMA interface meets MIL-STD-348
- SMP interface meets MIL-STD-348

#### Applications

- Enables Between Series Connections
- · General Purpose Test

- Precision Design
- Straight Body Geometry
  2 Hole Flange Mount Method
- Contact plating according to MIL-G-45204
- Gold Plated Beryllium Copper Contact
- Rack Mounted Equipment
- Precision Test & Measurement

#### Description

SMA female to SMP male smooth bore CM 2 hole flange adapter part number SM8836 from Fairview Microwave is in-stock and ships same day. This Fairview SMA to SMP adapter has a female to male gender configuration in a precision design. SM8836 SMA female to SMP male adapter operates to 26.5 GHz. The Fairview Microwave RF adapter provides excellent VSWR of 1.2:1 maximum. The SMA connector mates mechanically with commercially available 3.5mm and 2.92mm (K) connectors. Our RF SMA to SMP 2 hole flange adapter allows designers to create external connections on their product enclosures, and can be used in a variety of other rack mount and panel mount applications.

RF adapters can be used to enable connections between two connector types that would otherwise not mate. Certain RF adapter configurations can also be used to protect connectors on expensive equipment where the number of connect and disconnect cycles is high. An RF, microwave, or millimeter wave adapter is connected to the equipment and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connector savers. Fairview Microwave also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

Precision SMA Female (Jack) to SMP Male (Plug) Smooth Bore CM 2 Hole Flange Adapter, Passivated Stainless Steel Body, 1.2 VSWR

# SM8836

Precision SMA Female (Jack) to SMP Male (Plug) Smooth Bore CM 2 Hole Flange Adapter, Passivated Stainless Steel Body, 1.2 VSWR from Fairview Microwave is in-stock and available to ship same-day. All of our RF/microwave products are available off-the-shelf from our ISO 9001:2008 certified facilities in Lewisville, Texas. Fairview Microwave is RF on-demand.
